

## **TO WHOM DOES THE STATE OF ISRAEL BELONG?**

A representative from Israel said to the Assembly of the United Nations "Before beginning my talk I want to tell you something about Moses"

When Moses struck the rock and it brought forth water, he thought "What a good opportunity to have a bath!"

So Moses removed his clothes, put them aside on a rock and entered the water. When he got out and wanted to dress, his clothes had vanished. A Palestinian had stolen them!

The Palestinian representative at the UN jumped up and shouted furiously -

"What are you talking about? The Palestinians weren't even there then."

The Israeli representative smiled and said "And now that we have that clear, I will begin my speech."
