

## **BUS STOP QUIZ**

You are driving down the road in your car on a wild, stormy night, when you pass by a bus stop and you see three people waiting for the bus:

1. An old lady who looks as if she is about to die.
2. An old friend who once saved your life.
3. A beautiful woman - the perfect partner you have been dreaming about.

**Which one would you choose to offer a ride to, knowing that there could only be one passenger in your car? Think carefully.**

This is a moral/ethical dilemma that was once actually used as part of a job application. You could pick up the old lady, because she is going to die and thus you should save her first. Or you could take the old friend because he once saved your life and this would be the perfect chance to pay him back. However, you may never again be able to find your perfect mate.

**What is your choice?**

**YOU WON'T BELIEVE THIS** .....The candidate who was hired (out of 200 applicants) had no trouble coming up with his answer. He simply answered: 'I would give the car keys to my old friend and let him take the lady to the hospital. I would stay behind and wait for the bus with the partner of my dreams.'

**Never forget to 'Think Outside of the Box.'**

**HOWEVER** ..... The correct answer is to run the old lady over and put her out of her misery, have sex with the beautiful potential partner on the bonnet of the car, then drive off with the old friend for a few beers.

**ANOTHER HAPPY ENDING!!**

## **GOLF STORY**

Sam stood over his tee shot on the 450 yard 18th hole for what seemed an eternity. He waggled, looked up, looked down, waggled again but didn't start his back swing.

Finally his exasperated partner asked "What in the world is taking so long?"

"My wife is watching me from the clubhouse balcony" Sam explained "I want to make a perfect shot."

His companion said "You don't have a chance in hell of hitting her from here".
