

GOOD NEWS BAD NEWS

A bloke's wife goes missing while Scuba diving off the West Australian Coast.

He reports the event, searches fruitlessly and spends a terrible night wondering what could have happened to her.

Next morning there's a knock at the door and he is confronted by a couple of policemen, an older Sergeant and a young Constable.

The Sergeant says, 'Mate, we have some news for you, unfortunately some really bad news, but, some good news, and maybe some more good news'.

'Well,' says the bloke, 'I guess I'd better have the bad news first?'

The Sarge says, 'I'm really sorry mate, but your wife is dead. Young Bill here found her lying at about five fathoms in a little cleft in the reef. He got a line around her and we pulled her up, but she was deceased.

The bloke is naturally pretty distressed to hear of this and has a bit of a turn. But after a few minutes he pulls himself together and asks what the good news is.

The Sergeant says, 'Well when we got your wife up to the surface there were quite a few really good sized crayfish and a swag of nice crabs attached to her, so we've brought you your share.'

He hands the bloke a sugar bag containing a couple of nice crays and half a dozen crabs.

'Geez thanks' he says 'they're bloody beauties. I guess it's an ill wind and all that - so what's the other possible good news?'

'Well', the Sarge says, 'if you fancy a quick trip, me and young Bill here get off duty at around 11 o'clock and we're going to shoot over there and pull her up again!'

THE JEWS SANK THE TITANIC

A plane leaves Heathrow Airport under the control of a Jewish captain. His co-pilot is Chinese. It's the first time they've flown together and an awkward silence between the two seems to indicate a mutual dislike.

Once they reach cruising altitude, the Jewish captain activates the auto-pilot, leans back in his seat, and mutters, 'I don't like Chinese.'

'No like Chinese?' asks the co-pilot, 'why not?'

'You people bombed Pearl Harbour, that's why!'

'No, no', the co-pilot protests, 'Chinese did not bomb Pearl Harbour - that was Japanese, not Chinese.'

"Japanese, Chinese, Vietnamese ... doesn't matter, you're all alike."

After a few minutes of awkward silence....

"I no like Jews" the co-pilot suddenly announces.

"Oh yeah, why not?" asks the captain.

"Jews sank the Titanic." says the co-pilot.

"What? That's insane! Jews didn't sink the Titanic!" exclaims the captain It was an iceberg."

"Iceberg, Goldberg, Greenberg, Rosenberg, no matter all the same".

BLONDE STORIES

DOG CONTROL A blonde and her husband were lying in bed listening to the next door neighbour's dog. It had been in the backyard barking for hours and hours. The blonde jumps up out of bed and says, "I've had enough of this" and she goes downstairs. When she finally comes back up to bed her husband says the dog is still barking, what have you been doing all that time?" The blonde says, I moved the dog into our backyard, now let's see how THEY like it!

BLONDE BUILDERS Lynn & Judy were doing some carpentry work. Lynn who was nailing down house siding, would reach into her nail pouch, pull out a nail then either toss it over her shoulder or nail it in. Judy, figuring this was rather wasteful asked, 'Why are you throwing so many nails away?' Lynn explained, 'When I pull a nail out of my pouch, about half of them have the head on the wrong end, so I throw them away.' Judy became very agitated and yelled, 'You moron! Those nails aren't defective, they're for the other side of the house!'

BLONDE PANEL BEATING A blonde was driving home and got caught in a really bad hailstorm. Her car was covered with dents, so the next day she took it to a repair shop. The shop owner saw that she was a blonde, so he decided to have some fun. He told her to go home and blow into the exhaust pipe really hard, and all the dents would pop out. So, the blonde went home, got down on her hands and knees and started blowing into the car tailpipe.

Nothing happened, so she blew a little harder, and harder again and still nothing happened. Her blonde room-mate saw her and asked what she was doing, so the blonde car owner told her what the repairman had suggested to get the dents **to** pop out. The room-mate rolled her eyes, and sighed...'Uh, like hello! You need to wind up the windows first.'

THE NEW THERMOS A blonde was out shopping when saw a shiny silver thermos for sale. She was quite intrigued so she picked it up and took it to an assistant to ask what it was. She was told 'Why, that's a thermos it keeps hot things hot, and cold things cold.' 'Wow, said the blonde, 'that's amazing I'm going to buy it' Next day her boss noticed the thermos on her desk and asked what it was, so she proudly announced 'Why, it's a thermos, it keeps hot things hot and cold things cold,' He asked 'What do you have in it?' The blond replied 'Two ice blocks and some coffee.'

POOR MUM A blonde went to work one morning crying her eyes out, when her boss asked what was wrong she replied 'Early this morning I got a phone call saying that my mother had passed away.' The boss, feeling sorry for her, said 'Why don't you go home, take the day off to relax and rest.' 'Thanks, but I'd be better off here I need to keep my mind off it and I have the best chance of doing that here.' The boss agreed and allowed her to work as usual. A couple of hours pass when the boss looks out from his office and sees the blonde crying hysterically. 'What's happened now? Are you going be okay?' he asks.

'No!' exclaimed the blonde 'I just received a horrible call from my twin sister. Her mother died, too!'
