

SENSITIVE BIKIES

A tough looking group of bikers were out riding when they saw a girl about to jump off a bridge.

After pulling to a stop the leader, a big burly man, gets off his bike and says, "What are you doing?"

"I'm going to commit a suicide," she replied.

While he did not want to appear insensitive he didn't want to miss an opportunity, so he asked "Well, before you jump, why don't you give me a kiss?"

So, she gives him a long, deep, lingering kiss. After she's finished, the biker says, "Wow! That was the best kiss I have ever had".

"That's a real talent you are wasting. You could have lots of friends, you could be famous".

"Why are you committing suicide?"

"My parents don't want me dressing up like a girl".

MEDICAL RESEARCH - WOMEN'S "DERRIERE" STUDY

A new study has been completed to determine how women feel about the size of their bums.

The results are quite surprising.

30% think their bum is too fat.

10% think their bum is too skinny.

The remaining 60% say they don't care, they love their bum, he's a good man, and they wouldn't trade him for the world!

THE DIFFERENCE WITH AUSTRALIAN GIRLS

Three friends married women from different parts of the world

The first man married a Greek girl. He told her that she was to do the dishes and house cleaning.

It took a couple of days, but on the third day, he came home to see a clean house and dishes washed and put away.

The second man married a girl from Thailand. He gave his wife orders that she was to do all the cleaning, the dishes and the cooking.

The first day he didn't see any results, but the next day he saw it was better. By the third day, he saw his house was clean, the dishes were done, and there was a lovely dinner on the table.

The third man married a girl from Australia.

He ordered her to keep the house cleaned, dishes washed, lawn mowed, laundry washed and hot meals on the table for every meal.

He said the first day he didn't see anything, the second day he didn't see anything either but by the third day, some of the swelling had gone down and he could see a little out of his left eye and his arm was healed enough that he could fix himself a sandwich and load the dishwasher. He still has some difficulty when he pees.

RACIAL OR RELIGIOUS?

In South Sydney a fire destroyed a multi story block of flats.

A Polynesian family of six so-called "artists" lived on the first floor, and all six died in the fire.

Seven illegal Pakistani "welfare recipients" lived on the second floor, and they too all perished in the fire.

Six Maori ex-prisoners, all known con artists lived on the third floor and they too died.

Four Aboriginal families in the two flats on the fourth floor also perished.

One young Irish couple lived on the top floor. They survived.

Relatives of the deceased and local do-gooders were furious. They flew into Sydney and quickly demanded a meeting with the fire chief and others in authority.

With TV cameras rolling they loudly demanded to know why the Islanders, Muslims, Maoris and Aboriginals all died in the fire and only the white couple who lived on the top floor had survived.

The fire chief quietly replied, "They were both at work."

THE BANANA TEST FOR YOUNG PROBIANS

Listen carefully to the question -

There is a very, very tall coconut tree and there are four animals, a Lion, a Chimpanzee, a Giraffe and a Squirrel.

They decide to compete to see who is the fastest to get a Banana off the tree.

The question is - who do you think will win?

Your answer will reflect your personality. So think carefully and try to answer within 30 seconds.

If your answer is:

- Lion = you're dull.
- Chimpanzee = you're dense.
- Giraffe = you're a complete moron
- Squirrel = you're hopeless.

A coconut tree doesn't have bananas

Obviously you're stressed and overworked. You should take some time off and relax
