

THE HONEYMOON

A guy out on the golf course takes a high speed ball right in the crotch.

Writhing in agony, he falls to the ground. As soon as he can manage, he takes himself to the doctor.

He said 'How bad is it doc? I'm going on my honeymoon next week and my fiancée is still a virgin - in every way'

The doctor tells him, 'I'll have to put your willie in a splint to let it heal and keep it straight. It should be okay next week.'

He takes four tongue depressors, forms a neat little four sided splint and tapes it all together - an impressive work of art.

The guy mentions none of this to his girl, marries her, and goes on their honeymoon.

That night in the hotel bedroom, she rips open her blouse to reveal her beautiful breasts.

She says, 'You're the first. No one has EVER touched these.'

He immediately drops his pants and replies 'Look at this - still in the CRATE!'

FIVE RULES FOR MEN TO FOLLOW FOR A HAPPY LIFE

1. It's important to have a woman, who helps at home, who cooks from time to time, cleans up and has a job.
2. It's important to have a woman, who can make you laugh.
3. It's important to have a woman, who you can trust and who doesn't lie to you.
4. It's important to have a woman, who is good in bed and who likes to be with you.
5. It's very, very important that these four women do not know each other.

IRISH SNOWSTORMS

On a bitterly cold winters morning a husband and wife in Dublin were listening to the radio during breakfast. They heard the announcer say, "We are going to have 8 to 10 inches of snow today. You must park your car on the even-numbered side of the street, so the snowploughs can get through".

So the good wife went out and moved her car.

A week later while they are eating breakfast again the radio announcer said, "We are expecting 10 to 12 inches of snow today. You must park your car on the odd-numbered side of the street, so the snowploughs can get through".

The good wife went out and moved her car again. The next week they are again having breakfast, when the radio announcer says, "We are expecting 12 to 14 inches of snow today. You must park " Then the electric power went out.

The good wife was very upset, and with a worried look on her face said, "Honey, I don't know what to do. Which side of the street do I need to park on so the snowploughs can get through?"

Then with the love and understanding in his voice that all men who are married to blondes exhibit, the husband replied, "Why don't you just leave the car in the garage this time."

SLEEP

Husband asks his wife: How many men have you slept with? Wife proudly replies: "Only you darling, with all the others, I was awake!"

PUB TALK

Two guys chatting in the bar -

If I was to make love to your wife while you were off playing golf, and she got pregnant and had a baby, would that make us family ?

Well I don't know about that but it would make us even.

KITCHEN CHAT

Husband talking to his wife -

"Guess what I heard in the pub? They reckon the milkman has made love to every woman in our street except one."

"I'll bet it's that stuck up Sophie down at No 14".
