

HUMOUR JULY 2017

NEGOTIATING SKILLS

A retired couple walked into a Mercedes dealership, where the salesman had just sold the car which they had been interested in buying.

The purchaser was a beautiful blonde woman – wearing a mini- skirt and a halter top.

The old man was visibly upset. He spoke to the salesman sharply, "Young man, I thought you said you would hold that car till we raised the \$95,000 asking price, yet I just overheard you close the deal for \$75,000 to the lovely young lady there. And if I remember correctly, you had insisted there was no way you could discount the price of this model.

The salesman took a deep breath, cleared his throat and reached for a large glass of water.

"Well, what can I tell you? She had the cash ready, didn't need any financing help, and, Sir, just look at her, how could I resist? " replied the grinning salesman sheepishly.

Just then the young woman approached the senior couple and gave the car keys to the old man.

"There you go" she said. "I told you I could get that idiot to lower the price.

See you later Dad, and Happy Father's Day."

Sometimes daughters really are smarter than their dads !

DILEMMA

A male student asked his English Professor for a definition of the word “dilemma”.

The Professor replied that he would give an example to best illustrate the meaning and went on to say –

“Imagine that you are a healthy heterosexual male lying naked in the middle of a big bed. A very beautiful and sexually aroused naked young woman is on one side of you and an equally excited gay man is lying on your other side”

“To whom are you going to turn your back?”

FATHERS

A little boy got on the bus, sat next to a man reading a book, and noticed he had his collar on backwards.

The little boy asked why he wore his collar backwards.

The man, who was a priest, said, 'I am a Father.'

The little boy replied, 'My Daddy doesn't wear his collar like that.'

The priest looked up from his book and answered,

"I am the Father of many.'

The boy said, "My father has four boys and four girls, but he doesn't wear his collar that way!"

The priest, getting impatient, said. 'Well, I am the Father of hundreds', and went back to reading his book.

The little boy sat quietly thinking for a while, then leaned over and said,

"Maybe you should wear a condom, and put your pants on backwards instead of your collar".

A LIE OR NOT?

A lawyer with a wife and 12 children needed to move because his rental agreement was terminated by the owner, who wanted to reoccupy the home.

Unfortunately, when he said that he had 12 children no agent or owner would rent a house to him, because they felt that with that number of children the property would be wrecked. He couldn't say that he had no children, because he couldn't lie; we all know lawyers cannot, and do not lie.

So, he sent his wife for a walk to the cemetery with the eleven oldest children, and took the remaining one with him to look at rental houses with the estate agent.

He loved one of the homes and the price was right. But then, the inevitable question, the agent asked:

"How many children do you have? He answered: "Twelve."

The agent asked, "Where are the others?"

The lawyer, with his best courtroom poker face answered,

"They're in the cemetery with their mother."

MORAL:

It's not necessary to lie, just choose the right words...and don't forget, a lot of our politicians are lawyers.

MODERN MARRIAGE

EMAIL FROM DAUGHTER

Dearest Dad,

I am coming home to get married soon, so get your cheque book out. I'm in love with a boy who lives far away from me.

As you know, I am in Australia ... and he lives in Scotland.

We met on a dating website, became friends on Facebook , then had long chats on Whatsapp.

He proposed to me on Skype, and now we've had two months of a relationship through Viber.

My beloved and favourite Dad, I need your blessing, good wishes, and a really big wedding.

Lots of love and thanks.

Your favourite daughter, Lilly.

DAD'S RESPONSE:

My Dear Lilly,

Like Wow! Really? Cool! Whatever?.

I suggest you two get married on Twitter, have fun on Tango, buy your kids on Amazon, and pay for it all through PayPal.

And when you get fed up with this new husband, sell him on eBay.

Your loving Dad
