

## THE SINFUL PAINTER

There was a Dublin painter named Paddy who was very interested in making a little bit extra where he could, so he often thinned down his paint to make it go a wee bit further.

As it happened, he got away with this for quite some time and when the parish priest decided to do a big restoration job on the outside of the Church Paddy was invited to put in a quote.

His price was considerably lower than his competitors and he was given the job.

He soon had the scaffolding up and the planks in place; purchased the paint, and as per usual thinned it down with turpentine.

Well. Paddy was up on the scaffolding, painting away, the job nearly completed, when suddenly there was an horrendous clap of thunder, the sky opened and the rain poured down washing the thinned paint from all over the church and knocking Paddy clear off the scaffolding, to land on the lawn among the gravestones, surrounded by tell-tale puddles of the thinned and useless paint.

Paddy was terrified. He knew this was a judgment from the Almighty, so he got down on his knees and cried:

"Oh God. Oh God, forgive me; what should I do?"

And from the thunder and lightning,, a mighty voice spoke...

**“Repaint! Repaint”!.. "and thin no more!”**

## INDIAN PROVERB

There once was an Indian boy who was born with only one testicle and was given the name "Onestone". He hated that name and asked everyone not to call him Onestone.

After years and years of torment, and by which time he had become a leading brave in the community, Onestone finally cracked and said, 'If anyone calls me Onestone again, I will kill them!'

The word spread quickly and nobody referred to him by that name any more.

Then one day a young squaw named Blue Bird forgot and said, 'Good morning, Onestone.'

He jumped up, grabbed her and took her deep into the forest where he made love to her all day and all night. He made love to her all the next day, until Blue Bird died from exhaustion.

Everyone now knew that Onestone meant what he had promised to do.

Time went by and no one dared call him by his given name, until a woman named Yellow Bird returned to the village after being away for many years.

Yellow Bird, who was Blue Bird's cousin, was overjoyed when she saw her old friend Onestone.

She hugged him and said, 'Good to see you again, Onestone.'

Onestone grabbed her, took her deep into the forest, where he made love to her all day, made love to her all night, made love to her all the next day, made love to her all the next night. Onestone was exhausted but Yellow Bird wouldn't die!

Onestone was in a quandary, until he remembered the old Indian proverb

**You Cannot Kill Two Birds With Onestone**

## **BE CAREFUL WHAT YOU EAT**

A doctor was addressing a large audience in Oxford 'The material we put into our stomachs should have killed most of us sitting here, years ago. Red meat is full of steroids and dye. Soft drinks corrode your stomach lining. Chinese food is loaded with MSG. High trans fat diets can be disastrous and none of us realises the long term harm caused by the germs in our drinking water. But, there is one thing that is the most dangerous of all and most of us have . or will eat it. Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?"

After several seconds of quiet, a 70-year-old man in the front row raised his hand, and softly said, "**Wedding Cake**".

## **COLIN AND THE CROCODILE**

A rich man living in Darwin decided that he wanted to throw a party and invited all of his buddies and neighbours. He also invited Colin, the only aborigine in the neighbourhood.

He held the party around the pool in the backyard of his mansion. Everyone was having a good time drinking, dancing and eating prawns and oysters from the BBQ.

At the height of the party, the host said, 'I have a 15ft man-eating crocodile in my pool and I'll give a million dollars to anyone who has the balls to jump in.

The words were barely out of his mouth when there was a loud splash.

Everyone turned around to see Colin in the pool fighting the crocodile.

Jabbing it in the eyes with his thumbs. throwing punches, doing all kinds of stuff like head butts and chokeholds, biting the croc on the tail and flipping it through the air like some kind of Judo tactic.

The water was churning and foaming, with Colin and the croc both screaming and roaring.

Finally Colin strangled the crocodile and let it float to the top like a dead goldfish.

Colin then slowly climbed out of the pool, with everybody staring at him in disbelief.

The host said 'Well, Colin, I reckon I owe you a million dollars.'

'Nah, you all right boss, I don't want it,' said Colin.

The rich man said, 'Man, I have to give you something. You won the bet. How about half a million dollars then?'

'No thanks... I don't want it,' answered Colin.

The host said, 'Come on, I insist on giving you something.. That was amazing. How about a new Porsche and a Rolex and some share options ?

Again, Colin said "No." Confused, the rich man asked, 'Well Colin, then what do you want?'

Colin said, **"I want the bastard who pushed me in"**

## SURGICAL OPINIONS

Five surgeons are discussing who the best patients to operate on were.

The first surgeon says, 'I like to see accountants on my operating table because when you open them up, everything inside is numbered.'

The second responds, 'Yeah, but you should try electricians, everything inside them is colour-coded.'

The third surgeon says, 'No, I really think librarians are the best; everything inside them is in alphabetical order.'

The fourth surgeon chimes in, 'You know I like construction workers. Those guys always understand when you have a few parts left over at the end, and when the job takes longer than you said it would.'

But the fifth surgeon shut them all up when he observed, "You're all wrong. Politicians are the easiest to operate on".

**"There's no guts, no heart, no balls, no brains, and no spine, and there are only two moving parts - the mouth and the anus - and they are both interchangeable."**

## BEWARE OF PARROTS

A woman went to a pet shop and immediately spotted a large, beautiful parrot. There was a sign on the cage that said \$50.00.

'Why so little?' she asked the pet store owner.

The owner looked at her and said, "Look, I should tell you first that this bird used to live in a brothel and sometimes it says some pretty vulgar stuff".

The woman thought about this, but decided she had to have the bird anyway.

She took it home and hung the bird's cage up in her living room and waited for it to say something

The bird looked around the room, then at her, and said, 'New house, new madam. "

The woman was a bit shocked at the implication but then thought "that's really not so bad."

When her two teenage daughters returned from school the bird saw them and said, "New house, new madam, new girls."

The girls and the woman were a bit offended but then began to laugh about the situation considering how and where the parrot had been raised.

Moments later, the woman's husband Keith came home from work.

The bird looked at him and said,

**"New house, new madam, new girls, but the same old customers .... hi Keith"**

## THE IRISH MILLIONAIRE

Mick, from Dublin, appeared on the show 'Who Wants To Be A Millionaire' and towards the end of the program had already won 500,000 euros.

"You've done very well so far," said the show's presenter, "but for a million euros there is one more question, and remember you've only got one *"phone a friend lifeline"* left".

Everything is riding on this question. Will you go for it?"

"Sure," said Mick. I'll have a go!"

OK here's the question :

"Which of the following birds does NOT build its own nest?"

“(a) Sparrow (b) Thrush (c) Magpie (d) Cuckoo”.

I haven't got a clue." said Mick, "So I'll use last lifeline and phone my friend Paddy back home in Dublin”.

Mick called up his mate, and told him the circumstances and repeated the question to him.

"Hell, Mick!" cried Paddy. That's simple it's a cuckoo."

"Are you sure?"

"I'm as sure and certain as I'll ever be

Mick hung up the phone and told the compere "I'll go with cuckoo as my answer."

Is that your final answer?"

"That it is, to be sure to be sure"

There was a long, long pause and then the presenter screamed, "Cuckoo is the correct answer! Mick, you've won I million euros!"

The next night, Mick invited Paddy to their local pub to buy him a drink

“Tell me, Paddy. How in Heaven's name did you know it was a Cuckoo that doesn't build its own nest?"

**“Don't be so daft Mick, everybody knows that the cuckoo lives in a clock!”**

## NEVER ARGUE WITH A WOMAN

One morning, the husband returns the boat to their lakeside cottage after several hours of fishing and decides to take a nap.

Although not familiar with the lake, and not interested in fishing his wife decides to take the boat out and enjoy the lovely day. She motors out a short distance, anchors, puts her feet up and begins to read her book.

The peace and solitude are magnificent.

Until along comes a Fish and Game Warden in his boat.

He pulls up alongside the woman and says, 'Good morning, Madam, what are you doing?'

'Reading a book,' she replies, (thinking, 'Isn't that obvious?')

'You're in a Restricted Fishing Area,' he informs her.

'I know that officer, but I'm not fishing. I'm reading. '

'Yes, but I see you have all the equipment there, and for all I know you could start fishing at any moment.

I'll have to take you in and write you up.

'If you do that, I'll have to charge you with sexual assault,' says the woman.

'But I haven't even touched you,' says the Game Warden.

'That's true, but you have all the equipment; for all I know you could start at any moment. '

'Have a nice day ma'am, and he left.

**MORAL: Never argue with a woman who reads.**

## THE NUN

A cabbie picks up a Nun.

She gets into the cab, and notices that the VERY handsome cab driver won't stop staring at her. She asks him why he is staring.

He replies: 'I have a question to ask you but I don't want to offend you.-

She answers, 'My son, you cannot offend me. When you're as old as I am and have been a nun as long as I have, you get a chance to see and hear just about everything. I'm sure that there's nothing you could say or ask that I would find offensive.'

'Well, I've always had a fantasy to have a nun kiss me.'

She responds, 'Well, let's see what we can do about that. Firstly you have to be single and secondly you must be Catholic.'

The cab driver is very excited and says, 'Yes, I'm single and Catholic!'

'OK' the nun says. 'Pull into the next alley.'

The nun fulfils his fantasy, with a kiss that would make a hooker blush.

But when they get back on the road, the cab driver starts crying. 'My dear child,' says the nun, 'why are you crying?'

'Forgive me but I've sinned. I lied and I must confess, I'm married and I'm Jewish.'

The nun says, '**That's OK. My name is Kevin and I'm going to a fancy dress party.**

## GOLF PANTIES

The Swede's wife steps up to the tee and, as she bends over to place her ball, a gust of wind blows her skirt up and reveals her lack of underwear.

'Good God woman! Why aren't you wearing any skivvies?' Olaf demanded.

Well, you don't give me enough housekeeping money to afford any.'

The Swede immediately reaches into his pocket and says, 'For the sake of decency here's a 50. Go and buy yourself some underwear.'

Next, the Irishman's wife bends over to set her ball on the tee. Her skirt also blows up to show that she too is wearing no undies.
