

## THE LIE-CLOCKS

A man dies and goes to heaven.

As he stood in front of the Pearly Gates, he saw a huge wall of clocks behind St Peter,

He asked "What are all those clocks?"

St Peter answered "Those are Lie-Clocks. Everyone who has ever lived on earth has one. Every time you lie, the hands on your clock move"

"Oh" said the man, "Whose clock is that?"

"That's Mother Theresa's" replied St Peter. "The hands have never moved, indicating that she's never told a lie"

"Incredible" said the man. "And whose clock is that one?"

St Peter responded "That's Abraham Lincoln's clock. The hands have only moved twice, telling us that Abraham told only two lies in his entire life"

"Well, being from Victoria" the man said "Where's Daniel Andrew's clock?"

"Oh, that's not on the wall" replied St Peter. "Jesus has it in his office and uses it as a ceiling fan"
