

Trust your husband

There comes a time when a woman just has, to trust her husband.

For example: A wife comes home late at night and quietly opens the door to her bedroom.

From under the blanket, she sees four legs instead of two. She reaches for a baseball bat and starts hitting the blanket as hard as she can.

Leaving the covered bodies groaning she goes to the kitchen to have a drink. As she enters, she sees her husband there reading a magazine.

"Hi Darling" he says "Your parents have come to visit us, so I let them stay in our bedroom. Did you say hello?"
