

**Two blokes living in the Australian outback saw a couple of jobs advertised by the Queen of England.**

**She was looking for footmen, to walk beside her carriage.**

**They applied and were very happy to be flown to London for an interview with Her Majesty.**

**She says to them: "Because my footmen must wear long white stockings, I must see your ankles to be sure they are not swollen or misshapen."**

**After they show her their ankles, the Queen says: "It is also important that you don't have knobby knees, so I need to see your knees too."**

**Once she has seen their knees, she says: "Now everything appears to be in shape, so I just need to see your testimonials."**

**Nine years later, when the pair are finally released from prison, one of the blokes says to the other: "I reckon, if we just had a bit more education we would have got that job!"**
