

The Lawyer

Lawyer: Doctor, before you performed the autopsy, did you check for a pulse?

Doctor: No.

Lawyer: Did you check for blood pressure?

Doctor: No.

Lawyer: Did you check for breathing?

Doctor: No.

Lawyer: So, then it is possible that the patient was alive when you began the autopsy?

Doctor: No.

Lawyer: How can you be so sure, doctor?

Doctor: Because his brain was sitting on my desk in a jar.

Lawyer: I see, but could the patient have still been alive, nevertheless?

Doctor: Yes, it is possible that he could have been alive and practicing law.
