

A Soldier's Wife Confesses

*I sat, as did millions of other Australians, and watched as the
government*

Underwent a peaceful transition of power many months ago.

At first, I felt a swell of pride and patriotism while

the new Prime Minister took his oath of office .

*However, all that pride quickly vanished as I later watched 21
SAS Soldiers*

In full dress uniform with rifles,

Fire a 21-gun salute to the Prime Minister.

*It was then that I realized how far Australia 's military had
deteriorated..*

Every one of them missed.
